

SANFORD WATER DISTRICT

Box 650 - River Street
SANFORD, MAINE 04073

DAVID PARENT
Superintendent

Tel. 324-2312
Fax 324-1267

Job Opening

December 2018 – Interviewing in January

Position: Meter Reader – Distribution System Operator

Benefits: Health and dental insurance, income protection plan, Maine Public Employees Retirement System, overtime opportunities, standby pay, paid sick and vacation time

Qualifications:

- Experience working for a Public Water Supply desired
- Valid State of Maine Class C drivers license, clean driving record
 - Class B Maine CDL is desirable but optional
- Must possess or have the ability to obtain a Class II Maine Water Distribution Operators License
- No criminal history
- Required to be on call for emergency work
- Minimum of a High School Diploma

Position Summary: The Meter Reader - Distribution Operator is responsible for reading residential and commercial water meters, performing water meter installations and maintenance, identifying meter problems, and performing other service work as assigned. As the District moves to more automated reading technologies, reading meters is becoming a smaller part of what this position does. When not reading meters or performing service work assigned by the Business Manager, this classification performs the duties of Distribution System Operators and is assigned to the Foreman.
