Job Opening

October 2023 – Interviewing immediately

Position: Equipment Operator

Benefits: Health and dental insurance, income protection plan, Maine Public Employees Retirement System, Maine START, overtime opportunities, Paid Sick and Vacation time

Qualifications:

- Must possess or have the ability to obtain a Class II Maine Water Distribution Operators License (not a prerequisite of hire)
- Experience working for a Public Water Supply desired
- Valid State of Maine CDL Class A drivers license, clean driving record
 - Must possess a Class B Maine CDL, may obtain A after hire
- Required to be on call for emergency work
- Minimum of a High School Diploma
- Job offer contingent on background check

Position Summary: The Equipment Operator is responsible for operation and maintenance of backhoe and service equipment, as well as operation and maintenance of the water distribution system as needed. When not operating equipment the Equipment Operator performs the duties of a Distribution Operator.

- Operates backhoe and drives service trucks and dump trucks.
- Lubricates and performs maintenance on equipment as required.
- Observes safety procedures, especially as related to safety of trench sidewalls, handling of pipe, traffic flow and safety of other workers.
- Performs the duties of Distribution System Operators when not operating backhoe.
- Performs equipment, road, yard, and building maintenance.
- Participates in stand-by rotation.
